## Call for Papers

### Aim and Scope

Biomarkers and Genomic Medicine (BGM) is the official peer-reviewed publication of Taiwan Genomic Medicine and Biomarker Society supported by Fooyin University Hospital. It is an interdisciplinary journal that focuses on providing prompt publication of results from original research on fundamental and applied aspects of genomic science. The BGM is indexed/abstracted in Chemical Abstracts Service (CAS), EMBASE, EMCARE, SCOPUS and ScienceDirect.

## Submission

Articles on clinical, laboratory and social research in genomic medicine, biomarkers, cell signaling, biotechnology, pharmacogenomics and genomics are eligible. Please submit your manuscripts at

<http://ees.elsevier.com/bgm/>

**Article Types:** Review Articles, Original Articles, Short Communications, Case Reports, Letters to the Editor, Recommendations, Commentaries
